CAR No. 5390 N. M. arrived at the San Lorenzo Yards Saturday evening and is loaded with fine household furniture. All of it is for Whistler, and on Monday it will be unloaded, having to call on 3a and be for sale. Think of it, nice, new furniture bought only five months ago to be sold now at any old reasonable price. Such is living in Mexico. People who buy will have new furniture, and they are generally the ones who are going to make their fortune here (sawdust); soon their castle falls, and then they sell out at any price. I am all the time buying furniture from these people, and I can't help them, because if I can sell you nice, new furniture for one-half what it cost new it makes you feel good. I am contented, and we both like this old world better. You miss a grand treat if you don't come and see the large stock of furniture Whistler has for sale now. Calle Nueva 34.
